# Getting started

# 1

## QU mobile Overview

QU mobile is the official app of Qatar University. This application is a part of an ongoing project that was initiated to enhance the experience of Qatar University members and visitors interacting with various services and resources at Qatar University.

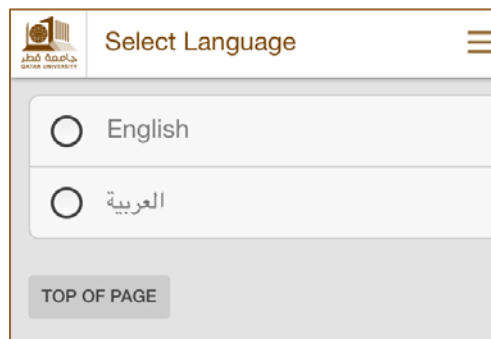

Current features include (not limited to):

- Common services: Maps, directory, news, events, virtual tours, dining menus and social media.
- Registration and records services: view their registered courses, holds, fees and view final grades.
- Classes and Courses services: view courses, announcements, course contents and others.

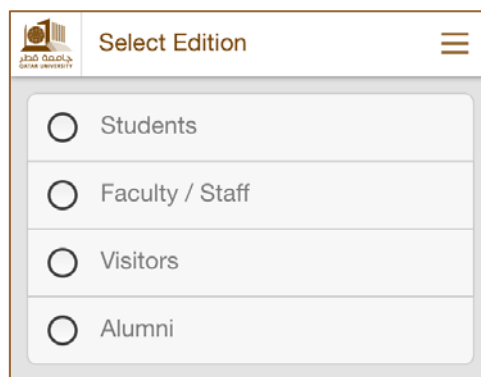

## First Time User

As a first time user you need to select your preferred language and your user type.

### Language Selection

### Edition Selection

# Users Types

Based on your selected edition, features are customized. Below are the features included for each edition.

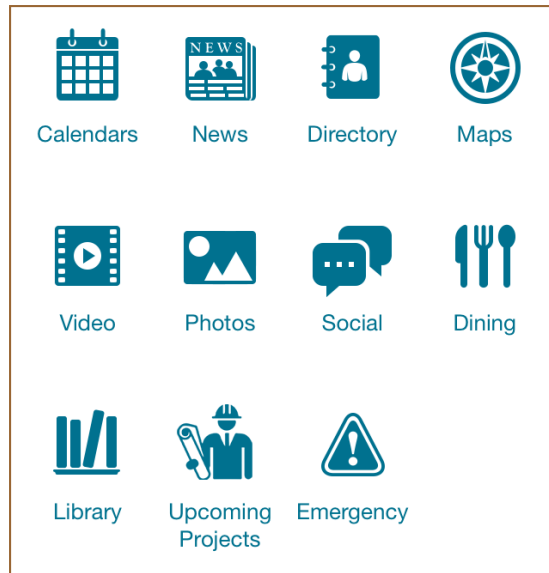

## Students

			
Orientation	Calendars	News	Directory
			
Maps	Video	Photos	Social
			
Banner	Catalog	Blackboard	Dining
			
Library	Improve QU	Upcoming Projects	Emergency
			
Continuing Education	Indoor Maps	Tour	

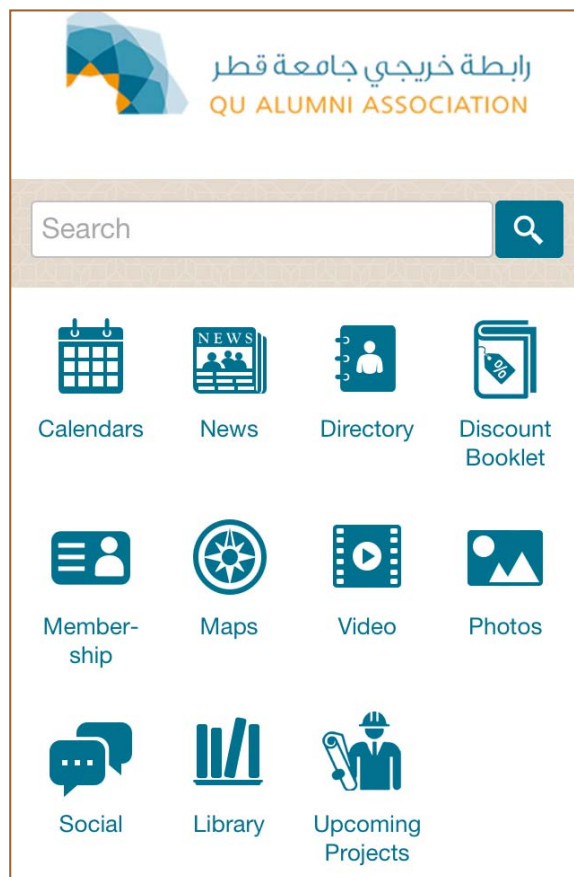

## Faculty/Staff

			
Calendars	News	Directory	Maps
			
Video	Photos	Social	Blackboard
			
Dining	Library	Improve QU	Upcoming Projects
			
Emergency			

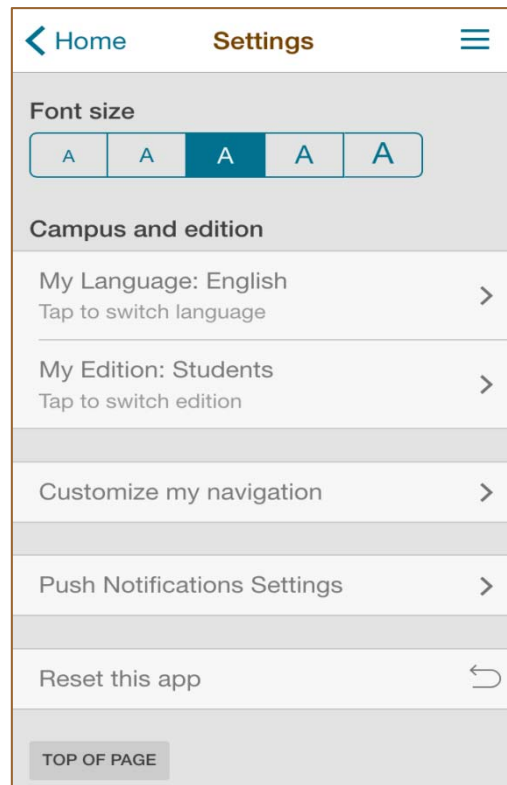

## Visitors

## Alumni

# Settings

## Font size

You can adjust the displayed font size

Go to settings >> Font size

## Switch Language/Edition

Currently two languages are provided (English and Arabic).

Go to settings >> Language and edition >> My Language: *Your preferred language*

To switch your current edition

Go to settings >> Language and edition >> My Edition: *Current Edition*

## Customize My Navigation

If you would like to access your preferred module directly, you may like to place it separately from the rest of the modules. By customizing your navigation, your favorite modules will be placed at the top of the app page.

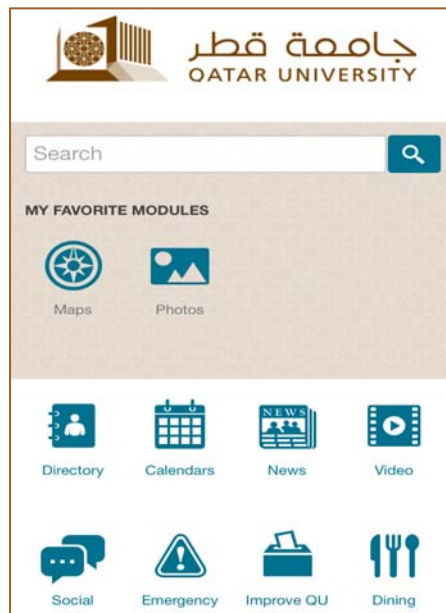

To customize your navigation

Go to [Settings >> Customize my navigation](#)

The following page will be displayed.

You can add your favorite module by tapping on the + sign. Suppose you selected **Calendars** and **Maps** as our favorite module, now your main page will look like:

## Push Notifications Settings

Notifications will be sent to selected groups. As a student, you may wish to receive notifications in English only, in this case you deselect “طلاب” in Arabic.

Settings		Push Notifications	☰
Receive group notifications for:

Tap to sign in for personal notifications			
User signed in via Qatar University			🔑
Tap to sign in for personal notifications			
User signed in via Blackboard Test			🔑
Tap to sign in for personal notifications			

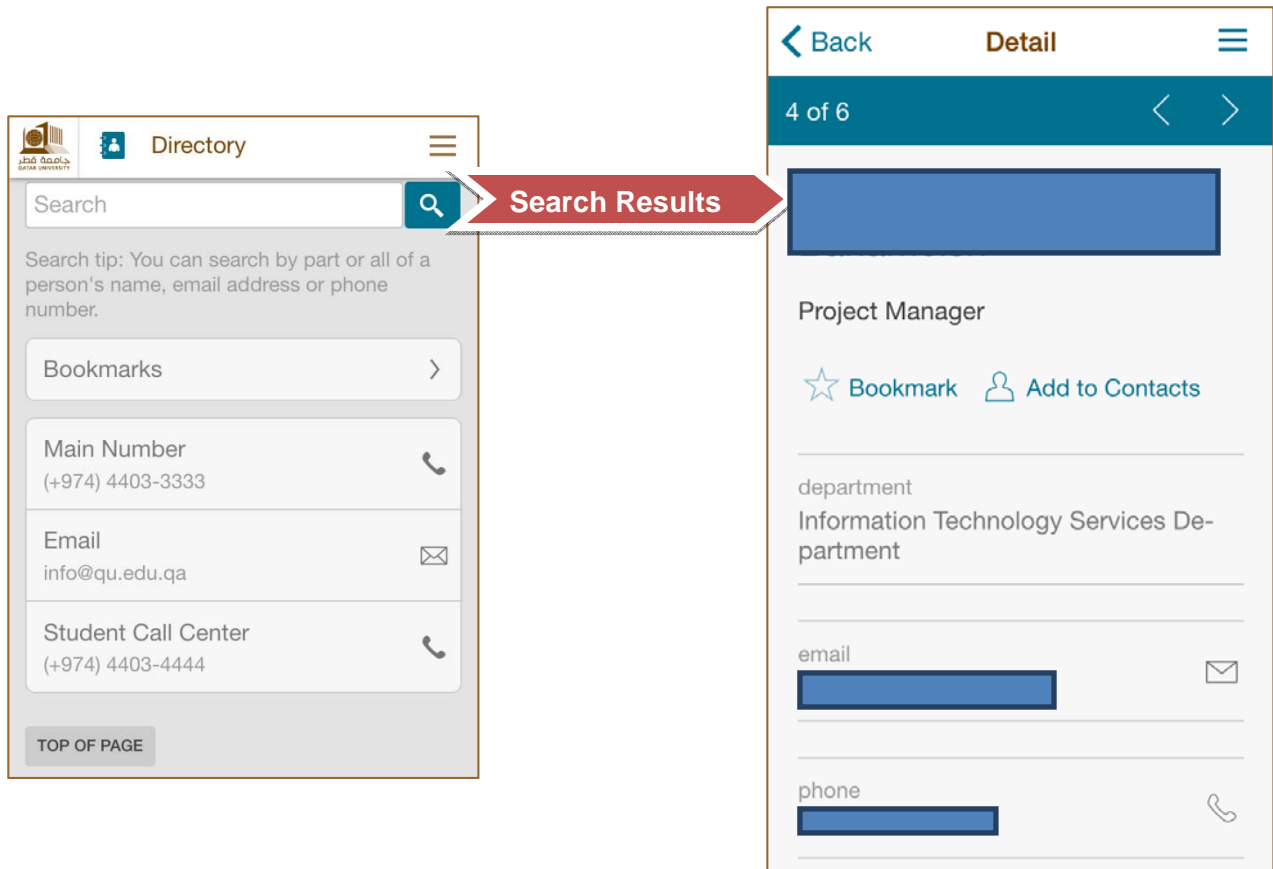

## Reset App

Reset App will return the application to its default settings.

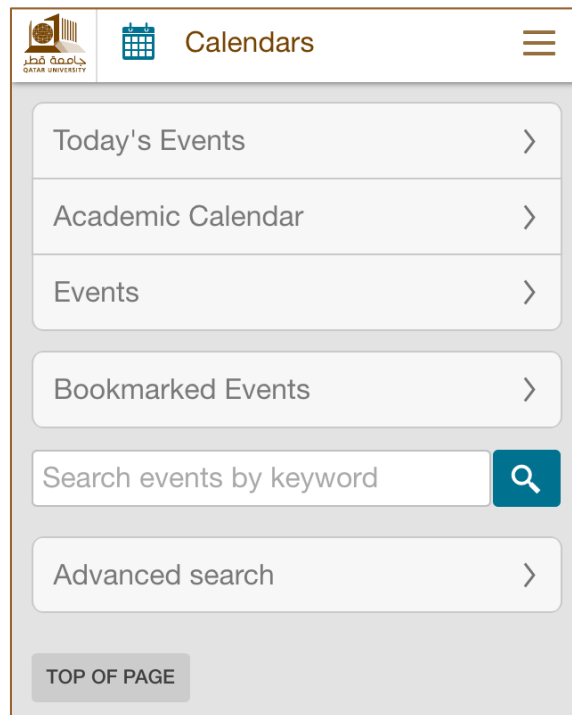

## Directory

The directory allows you to search contact information of Faculty and staff members. In addition it provides QU main contact number, e-mail and the students call center contact number. You can call directly by clicking on the phone number, and send an email to the person. Also you can add the contact to your device or save the contact as bookmark.

# Calendars

Using Calendars allows you to check and search events held at campus and check dates on the academic calendar.

## Today's Events

Shows scheduled event of today's date.

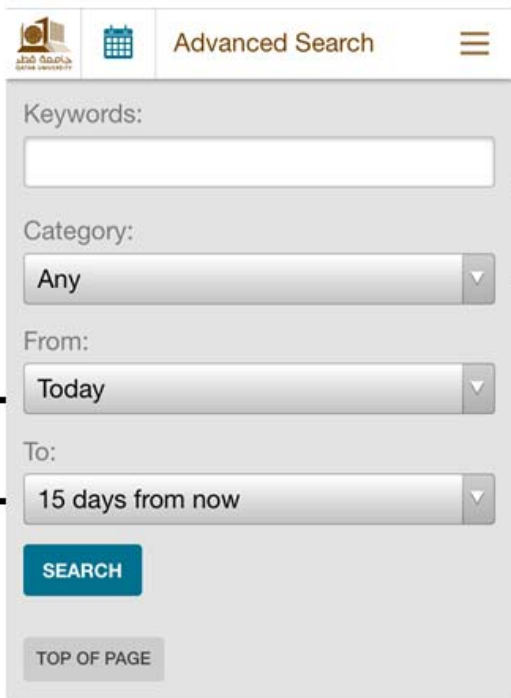

## Academic Calendar

Provides details on staff working days, student semester begin and end dates, holidays, and other important dates.

## Events

Provides a list of the current year events.

## Advanced search

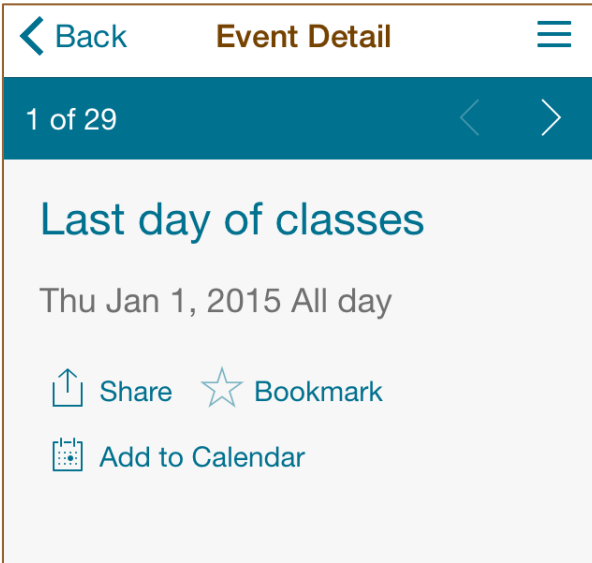

The screenshot shows the 'Advanced Search' interface. It includes a search bar for 'Keywords', a 'Category' dropdown menu set to 'Any', a 'From' dropdown menu set to 'Today', and a 'To' dropdown menu set to '15 days from now'. A blue 'SEARCH' button is located below the date fields. A 'TOP OF PAGE' button is at the bottom of the search form.

Callouts provide additional information:

- Search from today up to 30 days ahead (points to the 'From' dropdown)
- Search from today up to 30 days back (points to the 'To' dropdown)
- You can search by title, date or day (points to the 'Keywords' input field)
- Any, events or Academic calendar (points to the 'Category' dropdown)

In addition to the above features you can share, bookmark and add to your calendar any calendar date or event. See below.

The screenshot shows the 'Event Detail' page for 'Last day of classes'. The event is scheduled for 'Thu Jan 1, 2015 All day'. Below the event details, there are three interactive options: 'Share' (with an upward arrow icon), 'Bookmark' (with a star icon), and 'Add to Calendar' (with a calendar icon).

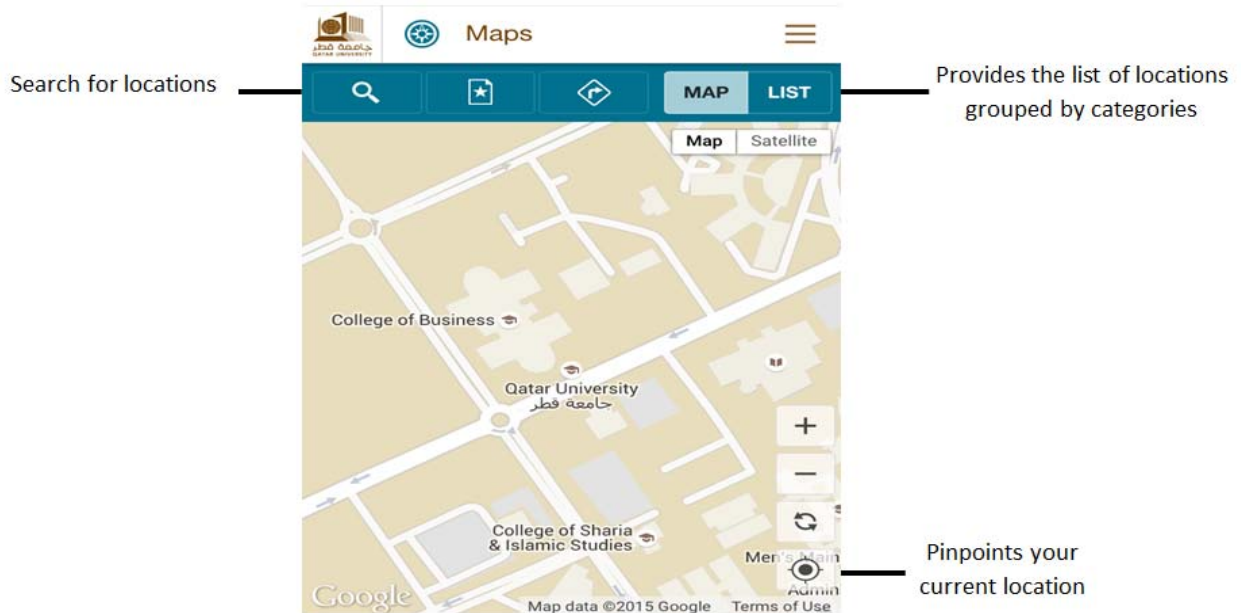

# Maps

Maps allows you to search locations, pinpoints you location and more.

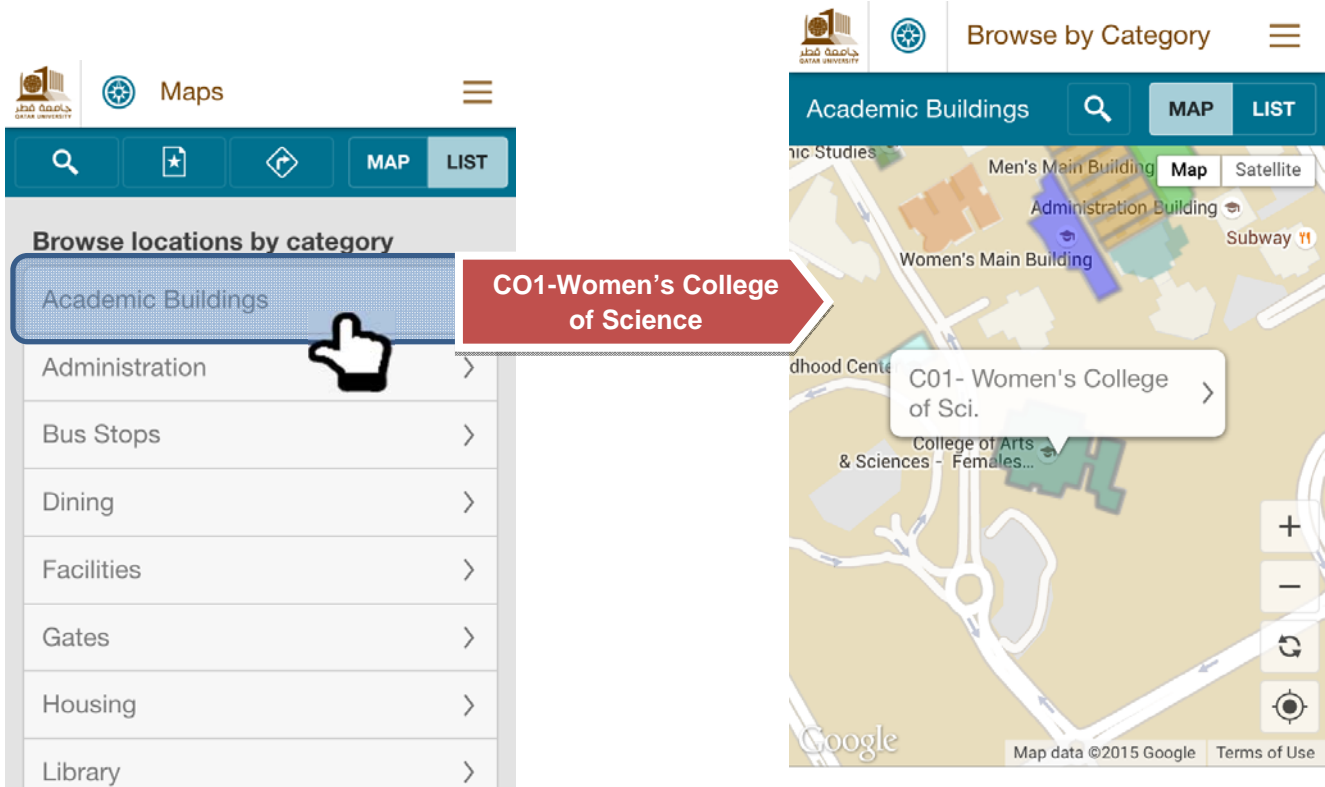

To get full benefit from Maps module, you need to turn on location services on your device.

To turn on location services:

Settings > Privacy > Location Services

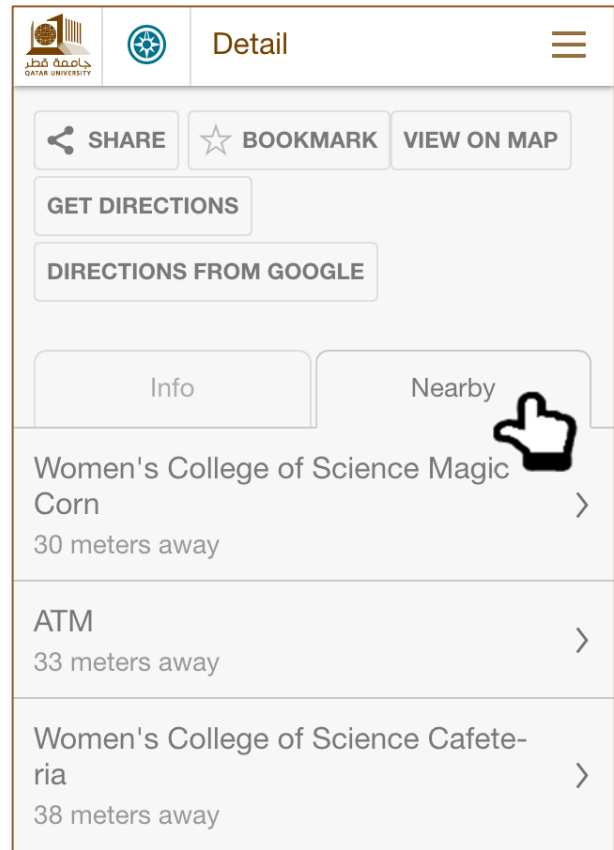

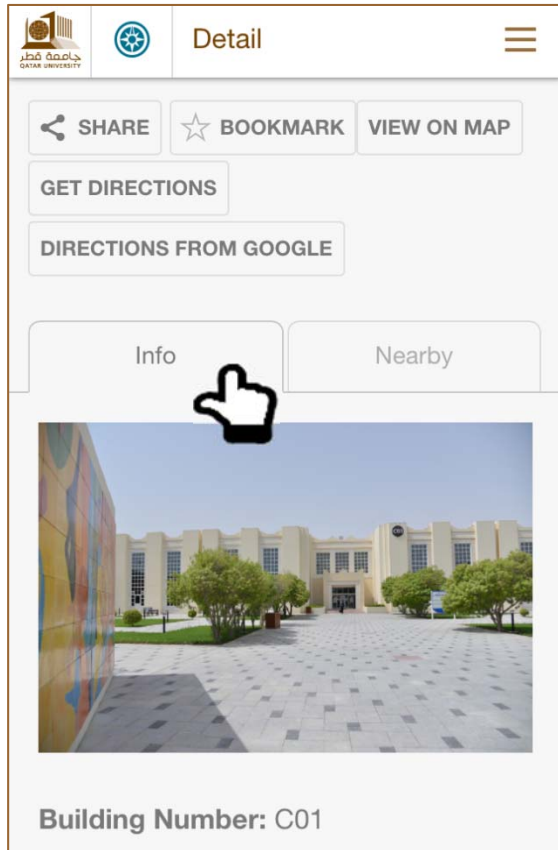

If you want to locate the Women's College of Science on the Map, you may select list>>Academic Buildings>>CO1-Women's College of Science. Alternatively you can use the search icon 

So now by clicking on the bubble that includes the name of the building, a few more information will be displayed:

C01- Women's College  
of Sci

- **Photo of the building**
- **Building no.**
- **Nearby facilities (dining areas, ATMs, ..etc)**

# Directions

**Get directions from:**

Choose a starting point >

Tap to change starting location

**to:**

Choose destination >

Tap to change destination

**Travel mode:**

Walking ▾

**GET DIRECTIONS** CANCEL

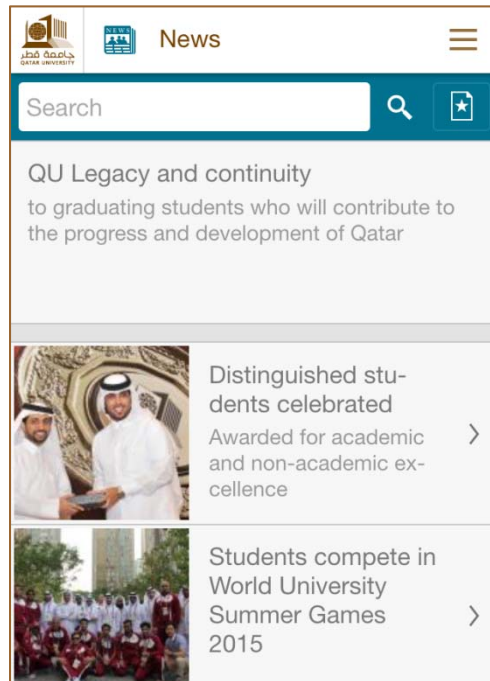

TOP OF PAGE

You can choose your current location, search for locations or browse locations by categories

You can choose your current location, search for locations or browse locations by categories

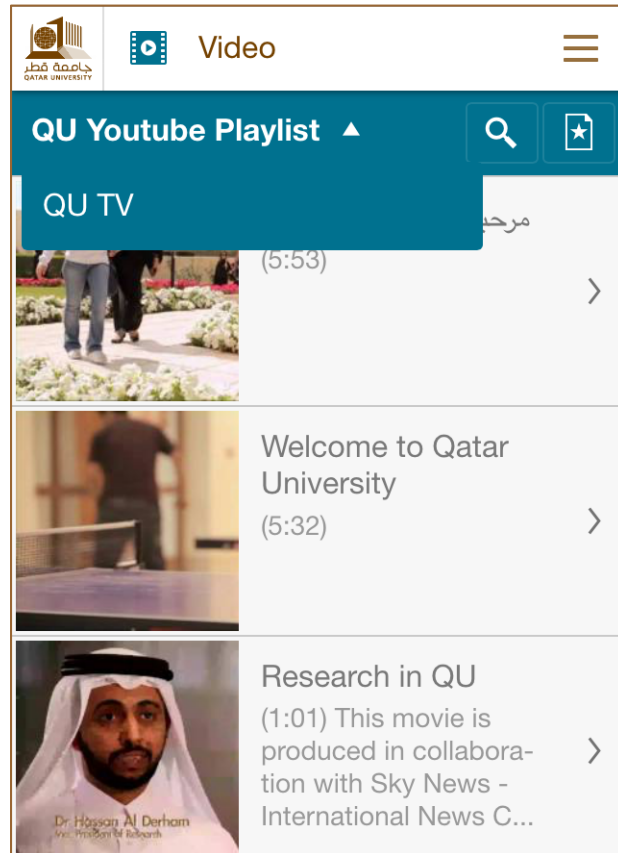

You can search university related news through QU mobile.

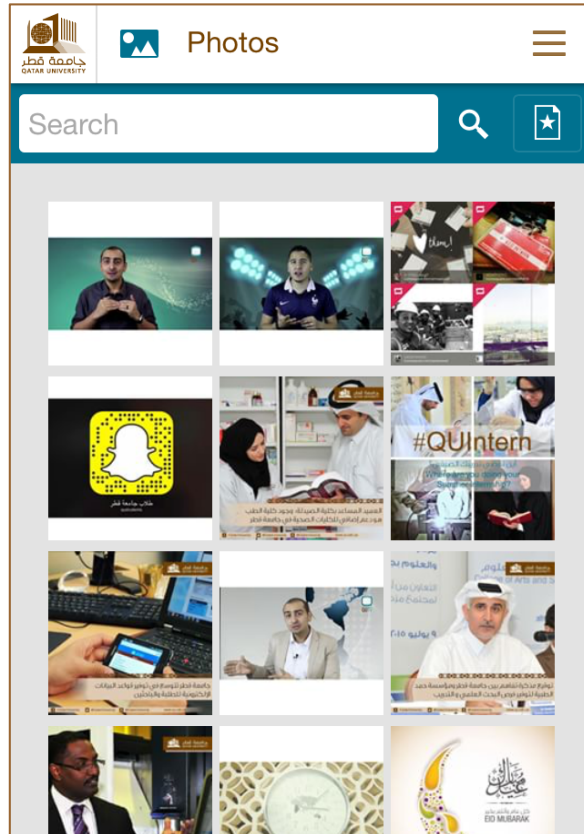

## Video

You can view and search Qatar University videos through QU mobile. It worth mentioning that this is connected to YouTube and that you can view videos on QU TV as well.

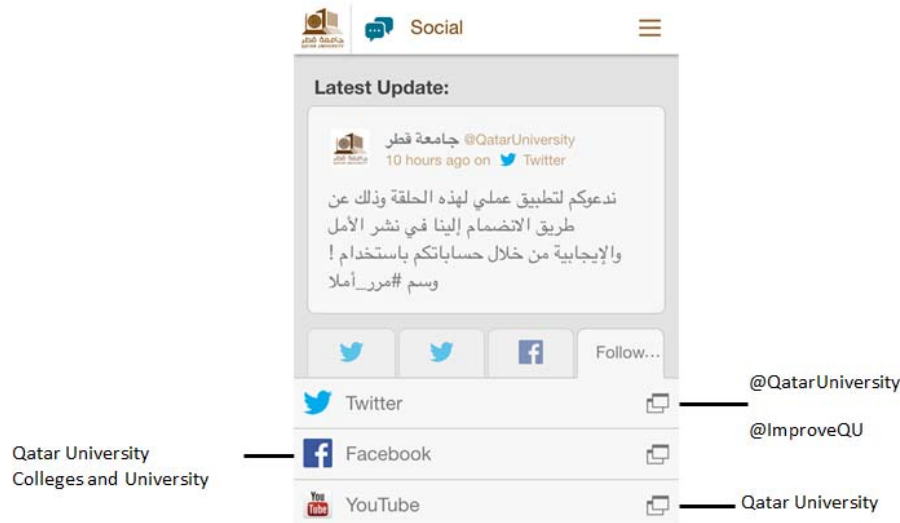

# Photos

You can view and search Qatar University photos (events, ceremonies, accomplishments and more) through QU mobile. We note that Photos are linked to Instagram.

# Social

You may join QU Facebook account, follow QU twitter accounts or subscribe to QU channel. You will in addition have the ability to view the latest updates from the different social media accounts.

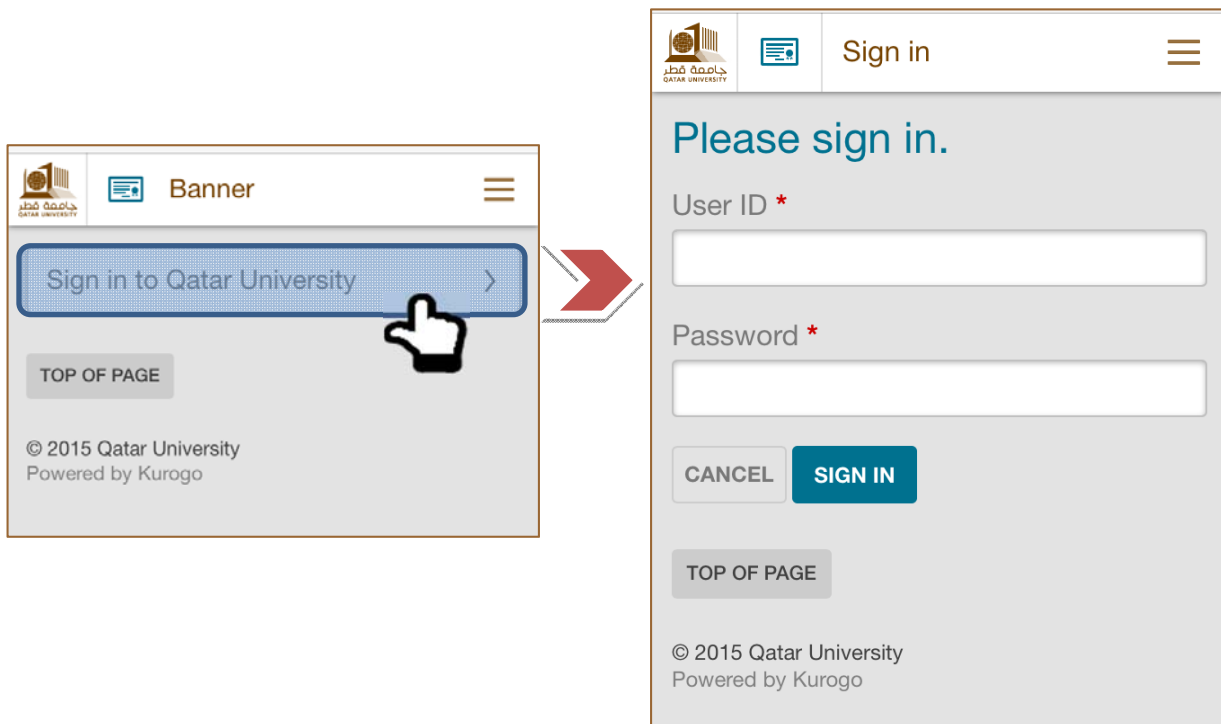

Once you open Social Module you will directly receive university related tweets (tweets are the primary service).

## Banner (Students Only)

This is a feature assigned to students only. Banner is the official tool that is used by Qatar University students to add/drop courses, view their accounts balances, view their grades and transcripts and more.

In order to use this feature, a student has to log in with his/her QU username/password.

The image illustrates the sign-in process for the Banner system. On the left, a screenshot of the Banner interface shows a 'Sign in to Qatar University' button with a hand cursor pointing to it. A red arrow points from this button to the right, where a detailed view of the sign-in form is shown. The form includes a 'Please sign in.' heading, a 'User ID \*' field, a 'Password \*' field, and 'CANCEL' and 'SIGN IN' buttons. The footer of the form contains 'TOP OF PAGE' and '© 2015 Qatar University Powered by Kurogo'.

Once you are logged in, the following page can be viewed.

**Classes**

- My Classes
- Fall 2015: 9 registered
- Weekly Schedule

**Registration**

- Fall 2015  
Cart is empty.
- Spring 2015  
Cart is empty.
- Fall 2012  
Cart is empty.
- Holds
- Grades
- Academic Record
- Account Balances

Total number of registered courses within the current semester is available

Semesters open for registration are available here

## Classes

### ➤ My classes

You can view your registered course and their related information (class no, Instructor, credits, enrollments, capacity and schedule).

We should mention that older courses can be displayed (only for the last ten semesters). Other courses can be displayed in Banner Self Service. The following screen shot shows how selection of term can be done.

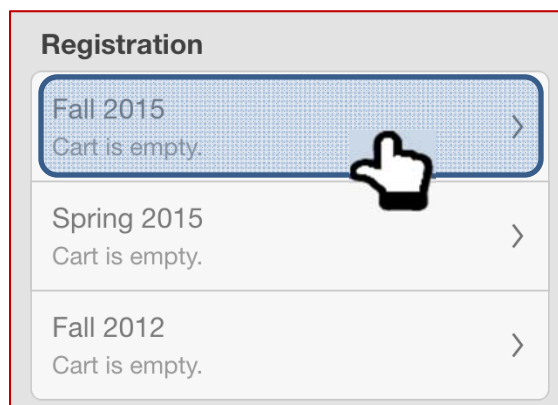

➤ **Weekly schedule**

You may view your weekly schedule.

## Registration

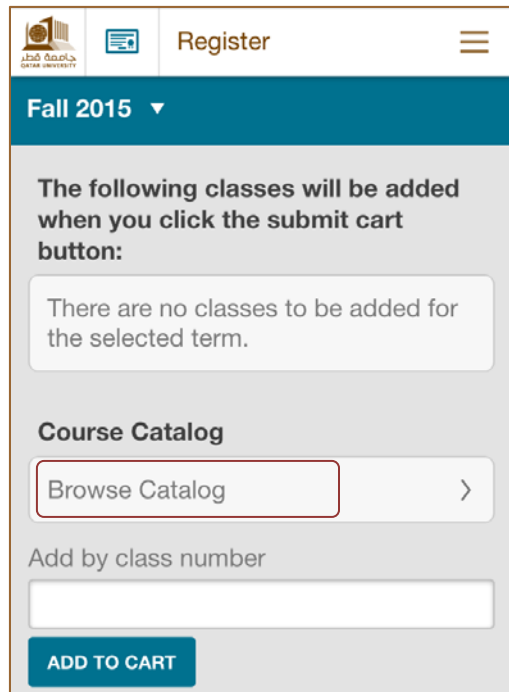

Semesters open for registration are (Fall 2015, Spring 2015 and Fall 2012).

## Adding Classes

Let us refer to semester Fall 2015. Student has 9 courses registered in Fall 2015. Let us add a new course.

There are (3) options to add courses in to your cart. This will be clarified in the below section.

The following classes will be added when you click the submit cart button:

There are no classes to be added for the selected term.

**Course Catalog**

Browse Catalog > Option (1)

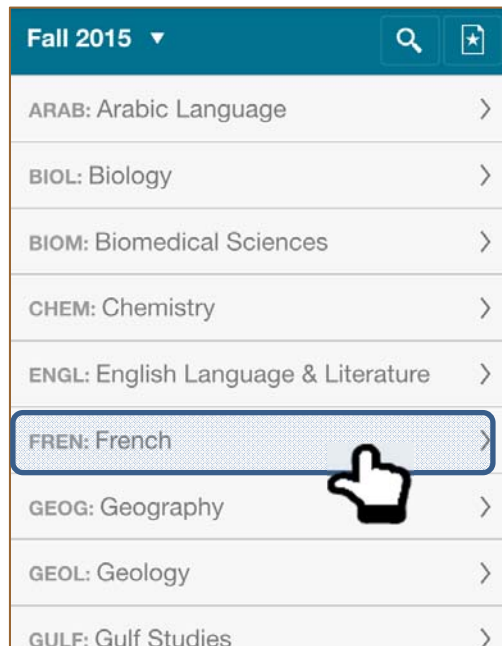

Add by class number

Option (2)

ADD TO CART

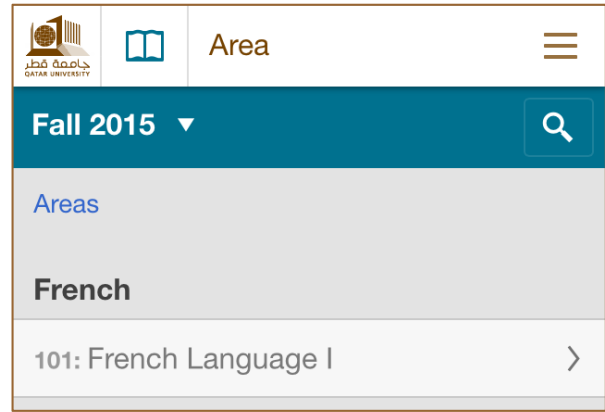

### Option (1): Add via 'Course Catalog'

You can browse courses as below. Let us Select **FREN: French**

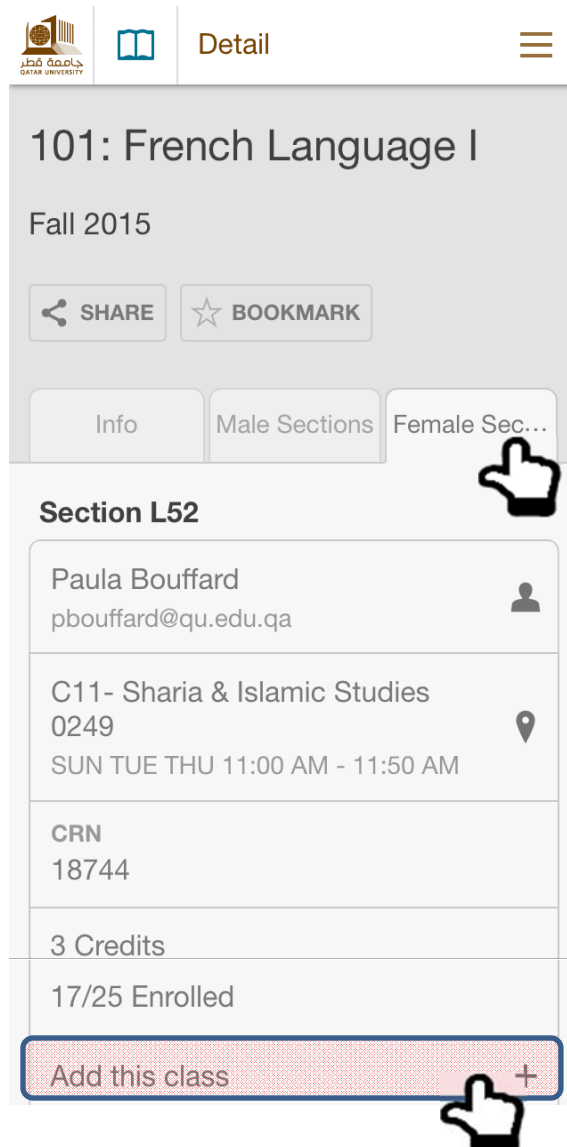

Fall 2015	
ARAB: Arabic Language	>
BIOL: Biology	>
BIOM: Biomedical Sciences	>
CHEM: Chemistry	>
ENGL: English Language & Literature	>
<b>FREN: French</b>	>
GEOG: Geography	>
GEOL: Geology	>
GULF: Gulf Studies	>

One course is available in French Area.  
(French Language I)

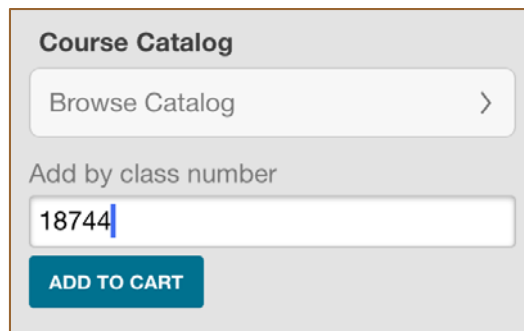

Once we click on '101: French Language I', you will have the required details. You can view the classes either in Male or Female sections. Let us select 'Female Sections'. One section is available under Female Sections (L52). At the end of the page we find 'Add this class'

### Option (2): Add by class number

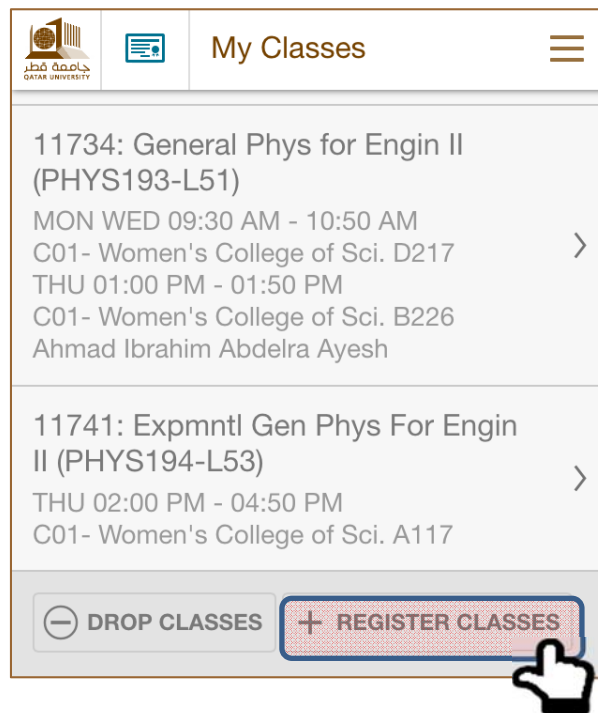

For this option, you have to have the CRN for the required sections. Below we added the CRN for 'French Language I'. After that you just click on **'ADD TO CART'**

The screenshot shows a 'Course Catalog' section with a 'Browse Catalog' button. Below it is the 'Add by class number' section, which contains a text input field with the number '18744' and a blue 'ADD TO CART' button.

### Option (3): My Classes

Go to **Classes >> My Classes >> Scroll down to the end of the page >> REGISTER CLASSES**

The screenshot shows the 'My Classes' page with the Qatar University logo and a hamburger menu icon. It lists two classes:

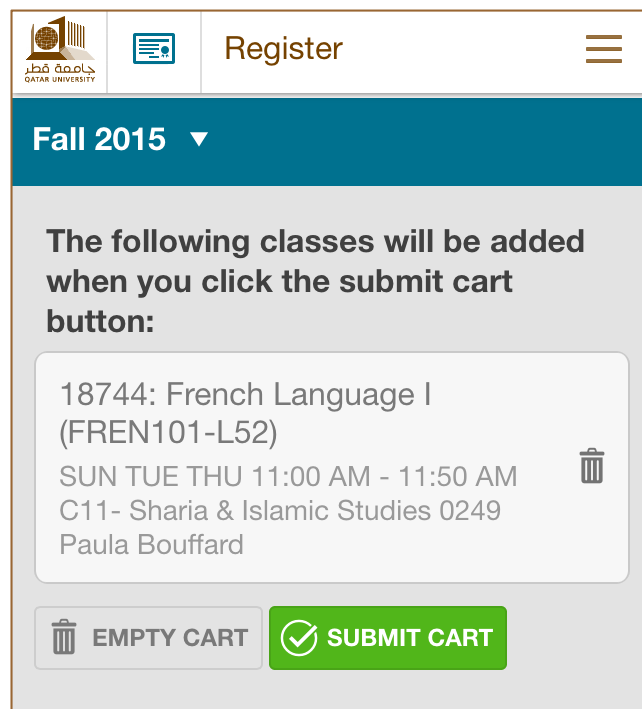

- 11734: General Phys for Engin II (PHYS193-L51)  
MON WED 09:30 AM - 10:50 AM  
C01- Women's College of Sci. D217  
THU 01:00 PM - 01:50 PM  
C01- Women's College of Sci. B226  
Ahmad Ibrahim Abdelra Ayesh
- 11741: Expmntl Gen Phys For Engin II (PHYS194-L53)  
THU 02:00 PM - 04:50 PM  
C01- Women's College of Sci. A117

At the bottom, there are two buttons: 'DROP CLASSES' and 'REGISTER CLASSES'. A hand cursor is pointing at the 'REGISTER CLASSES' button.

This will lead you to 'Registration page' and you go through either 'Option (1)' or 'Option (2)'.

Once you add to Cart. The Course will be available as shown in the figure below. You can add multiple courses to your cart and you can empty your cart as well by clicking on **'EMPTY CART'**.

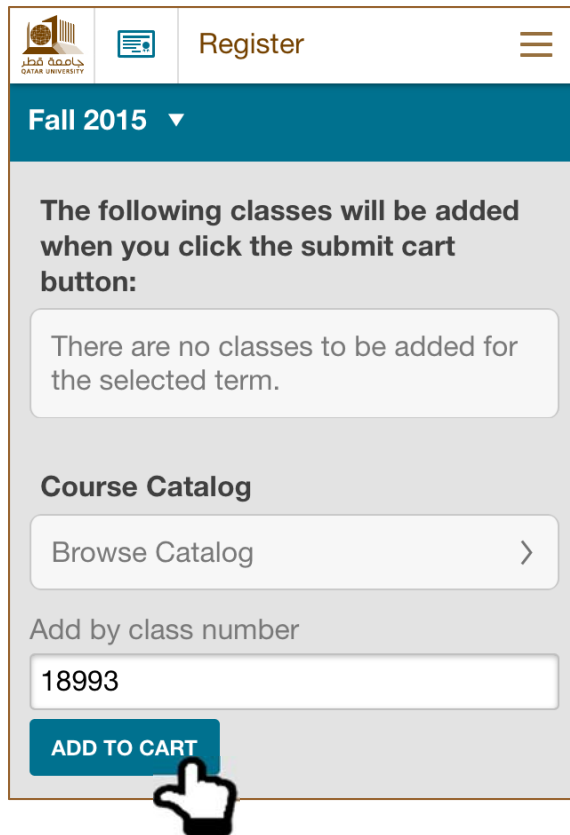

**Please note that adding a course to your cart doesn't mean that the course is registered. You have to click on 'SUBMIT CART' for the course to be added to your schedule.**

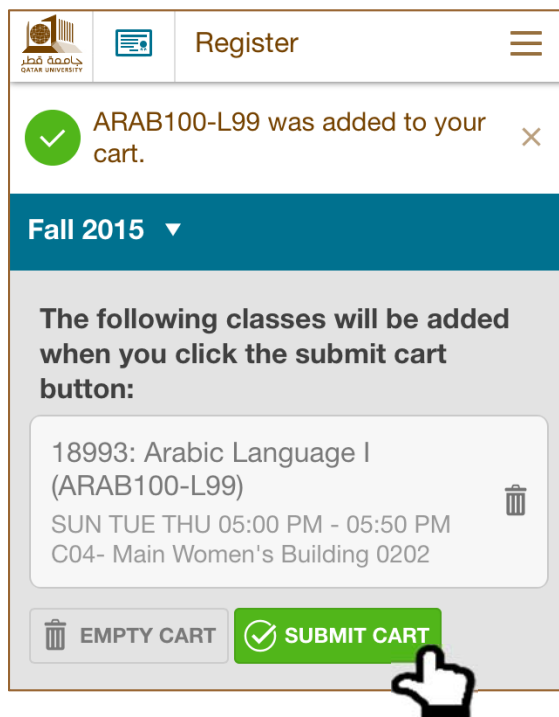

In the case a section is full; you can choose to add the class to a waiting list.

Let us add a class by its number (Option 2). CRN: 18993 is used for illustration.

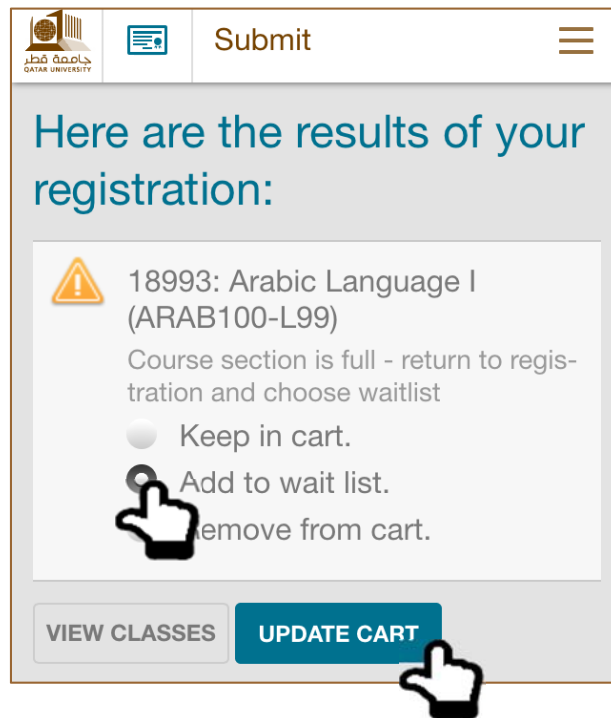

We first click 'ADD TO CART'

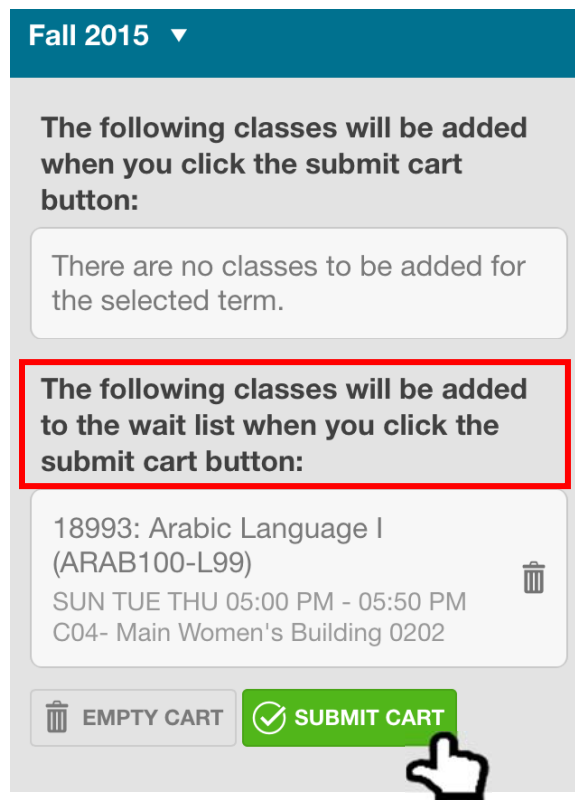

Now we Click 'SUBMIT CART'

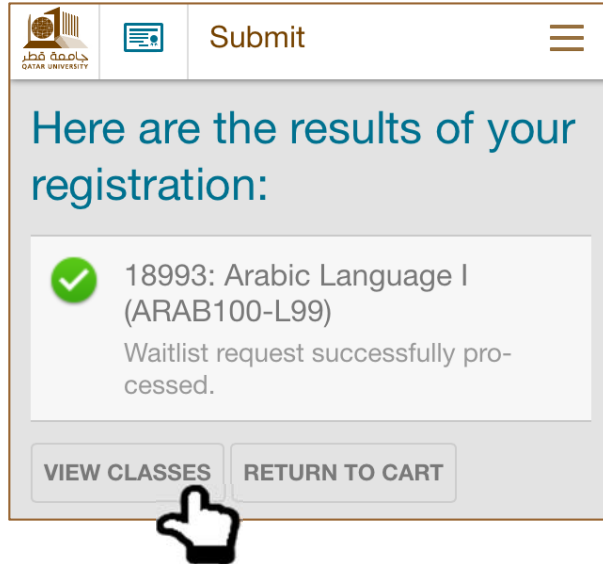

Since the section is full, you will receive the below message. Click on 'Add to wait list' and the 'UPDATE CART'

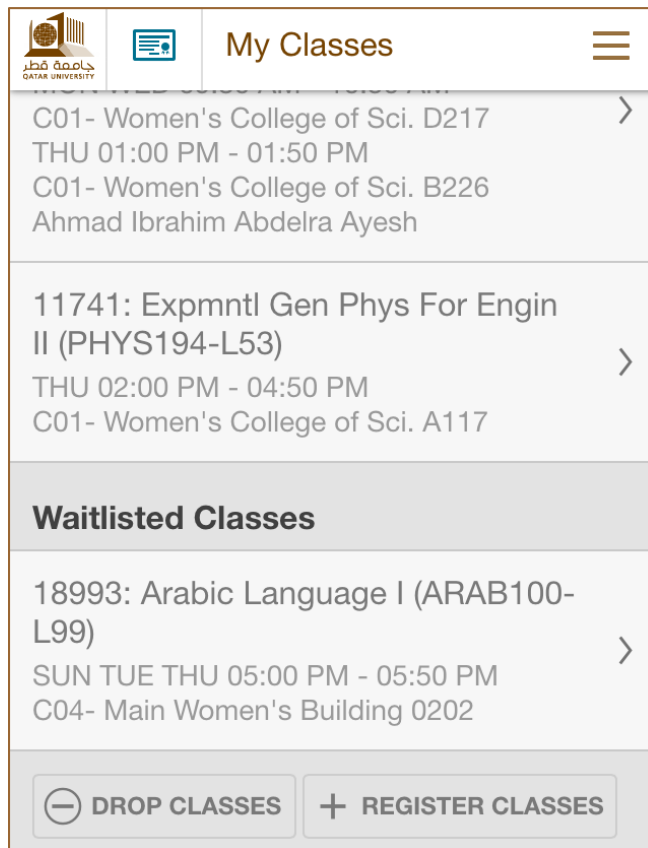

The wait listed classes are listed separately as shown below. Now we shall 'SUMIT CART' to view classes

The below confirmation message is received to acknowledge submission. Let us view the classes and see the results.

We see below that the wait listed classes are listed separately as shown below.

## Dropping Classes

Go to [Classes](#) >> [My Classes](#) >> Scroll down to the end of the page >> **DROP CLASSES**

Check boxes will be available. Check the class you need to drop and scroll down to the end of the page

Drop

hazard & failure causes, fundamentals of investigation & analysis.

**10913: Quality Management (IENG420-L51)**

Introduction to the philosophy and application of Total Quality Management in the context of organizational and cultural change dedicated to the continuous improvement of products and services. Some of the ideas and topics covered are: international quality awards quality management systems (ISO 9000), benchmarking reengineering; teaching of Deming, Juran, and Crosby; management of change and implementation of TQM.

**13266: Project Engineering (IENG481-B51)**

Introduction to project engineering, project lifecycle and feasibility studies. System approach covering requirements such as scope, time, cost, quality, resources and communication. Project planning & control, work breakdown and network scheduling tech-

**11741: Expmntl Gen Phys For Engin II (PHYS194-L53)**

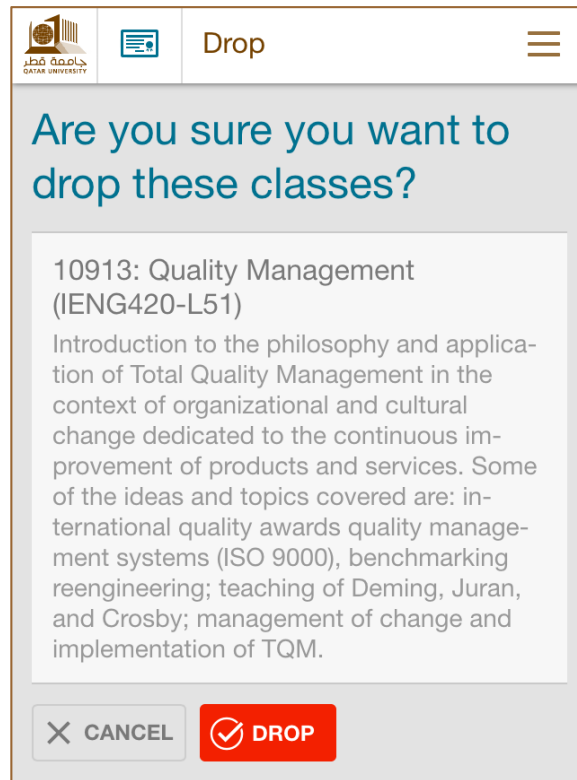

This is the Lab course covering the subject matter of PHYS 193. The course presents an introduction to the methods of experimental physics. Emphasis is on experimental, data analysis, and written presentation skills of lab work. During the course students execute a series of experiments on electrostatic fields, Magnetic fields, Induction, DC circuits, and AC circuits.

CANCEL

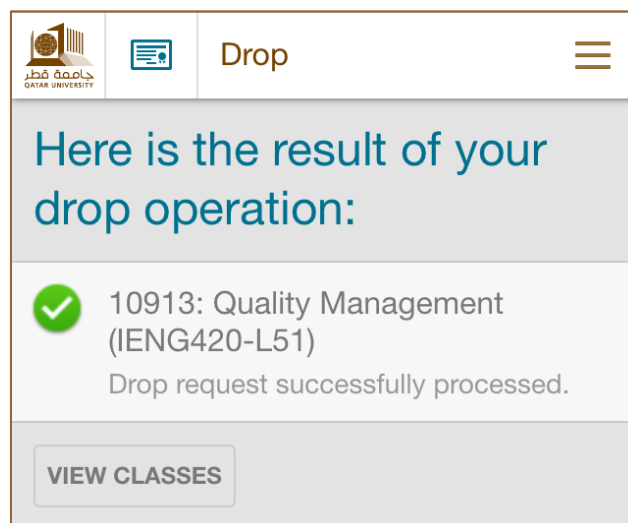

DROP

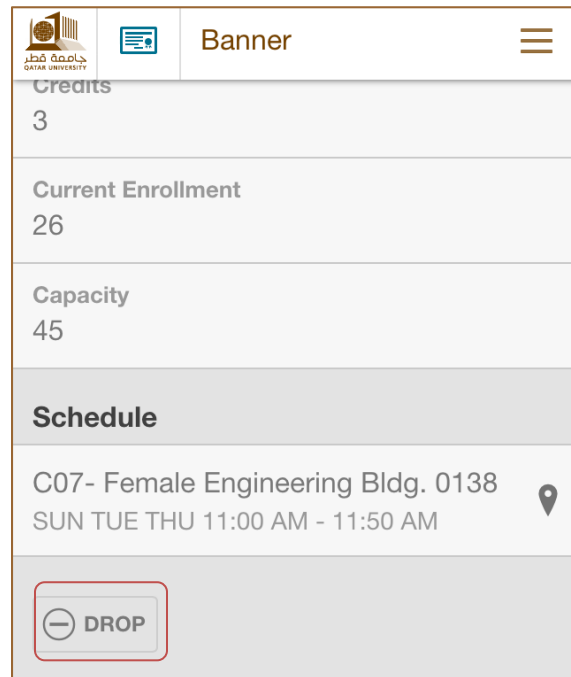

When you click on 'DROP', a confirmation message will appear to you.

By clicking on 'DROP', the following figure will be shown to you.

Alternatively, users can open a specific class and scroll down to the end of the page and click 'DROP' as shown below.

**We note that wait-listed classes are dropped in the same manner.**

## Student Records

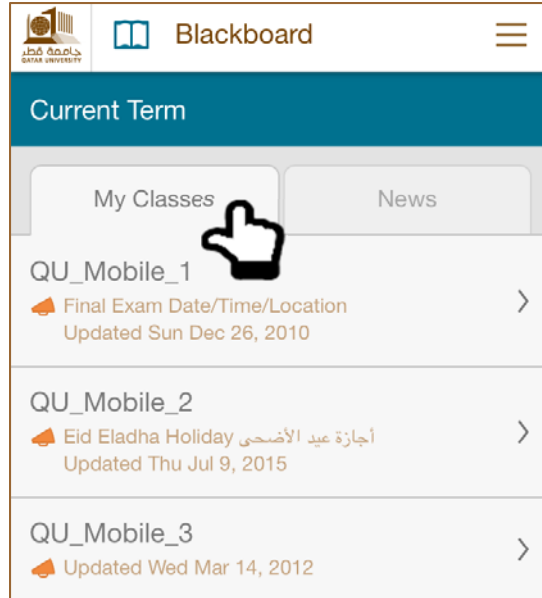

- **Holds**  
Holds on students may be viewed if any.
- **Academic Records**  
You may view details such as program, level, college, major, academic standing, GPA and others
- **Grades**  
You may view your term final grades once uploaded. You can check your grades for different terms by selecting on the required term. See below!
- **Account Balances**  
You may view your account balance, term summary and other transactions.

# Blackboard (Students and Faculty Only)

Log in information are required to access this module.

## My Classes

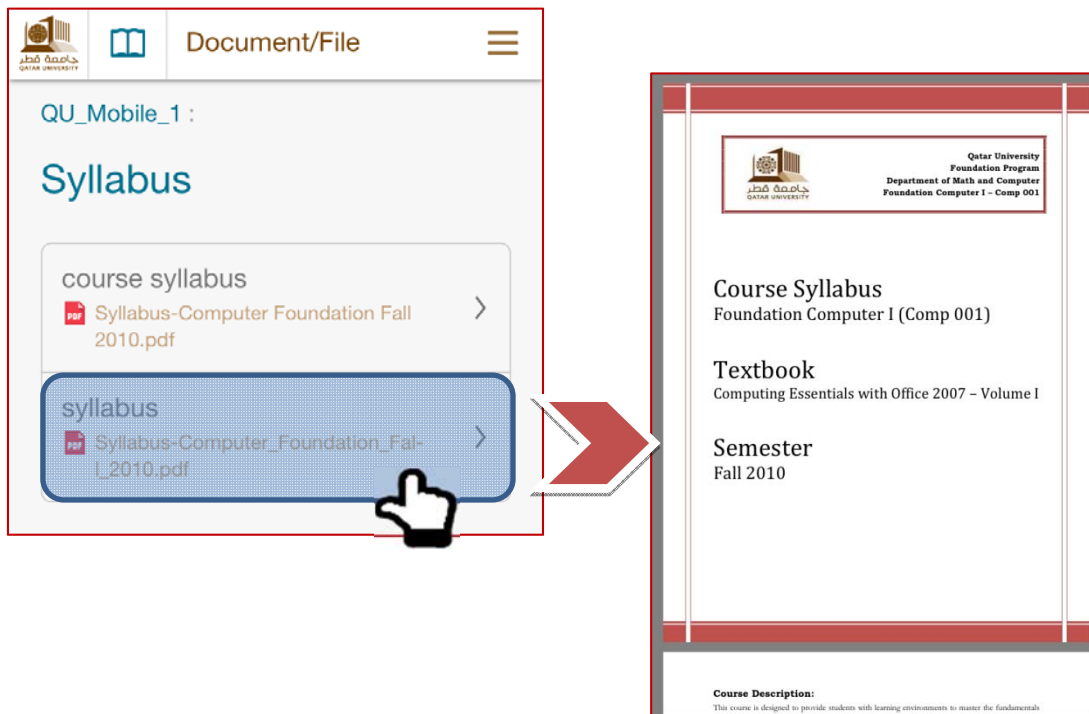

For each registered course, you will be able to view the course related:

- **Announcements**
- **Resources**

Course materials (projects, assignments, quizzes... etc.). You can view the number of items within each course resource. For example in the below figure we see that 2 items are included in the syllabus.

Now let us open item 2 in Syllabus. See the figures below.

### ➤ Grades

You can view detailed grading for exams, quizzes, homework and others.

## News

You may view announcements by course or by date.

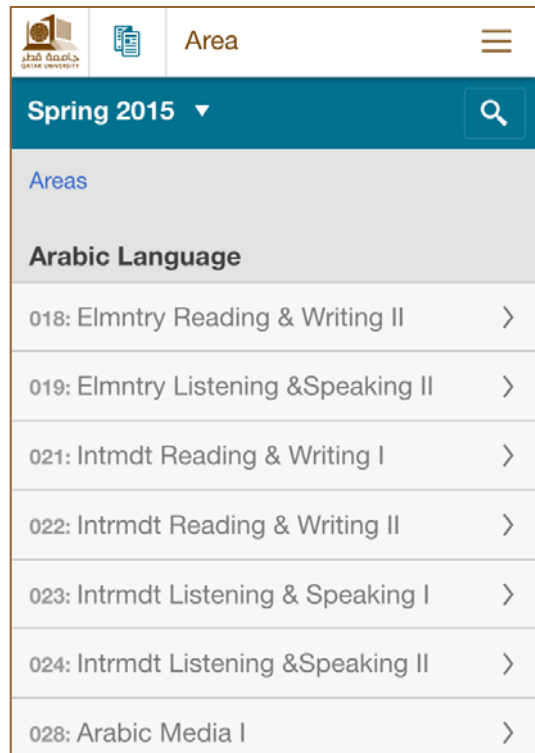

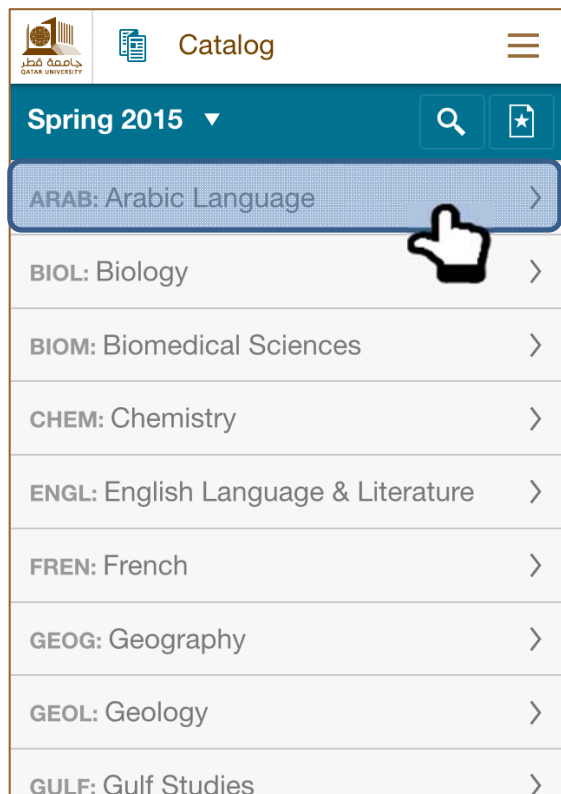

## Notes on Banner and Blackboard Modules

- Any change in Banner or Blackboard will take 1 min to be updated in the mobile app.
- Refreshing the app can be done by swiping down the finger.

# Catalog (Students Only)

You will have the ability to check the courses offered under different majors and for different semesters. Courses are identified by codes (e.g. 018).

Not only that you will also have the ability to view course information, the offered sections, locations, credit hours, enrollments and more. See below for Elementary Reading and Writing II (018) in Arabic Language major.

The image illustrates the navigation flow from a course list to detailed course information and description. The top screenshot shows the 'Area' page for 'Spring 2015' under 'Arabic Language'. The course '018: Elmntry Reading & Writing II' is selected. Red arrows labeled 'Information' and 'Description' point to the corresponding detailed views below.

**Information View:**

- Course: 018: Elmntry Reading & Writing II
- Term: Spring 2015
- Buttons: SHARE, BOOKMARK
- Tabs: Info, Sections
- Section: Section L01
- Location: A06- Men's Foundation 0105
- Time: MON THU 11:00 AM - 12:00 PM
- CRN: 24235
- Credits: 5 Credits
- Enrollment: 0/15 Enrolled

**Description View:**

- Course: 018: Elmntry Reading & Writing II
- Term: Spring 2015
- Buttons: SHARE, BOOKMARK
- Tab: Info
- Description: This course develops the fundamentals of Modern Standard Arabic through the four skills, with emphasis on reading and writing within a framework of the essentials of Syntax, morphology and a working vocabulary based on the standards of ACTFL (American Council on the Teaching of Foreign Language) for the High Beginners Level, through activities designed to encourage the student to express him/herself in writing.

## Improve QU (Students and Staff/Faculty Only)

Using this feature, you will be able to report problems at campus.

The screenshot shows the 'Improve QU' web interface. The header includes the Qatar University logo, a blue box icon, and the text 'Improve QU'. Below the header is a search bar with the text 'Report a Problem' and a right-pointing arrow. At the bottom of the page is a 'TOP OF PAGE' button.

In order for the assigned authorities to take actions, a full description is required. You may upload photos to clarify your description.

### Describe the problem

Mandatory fields are the following:

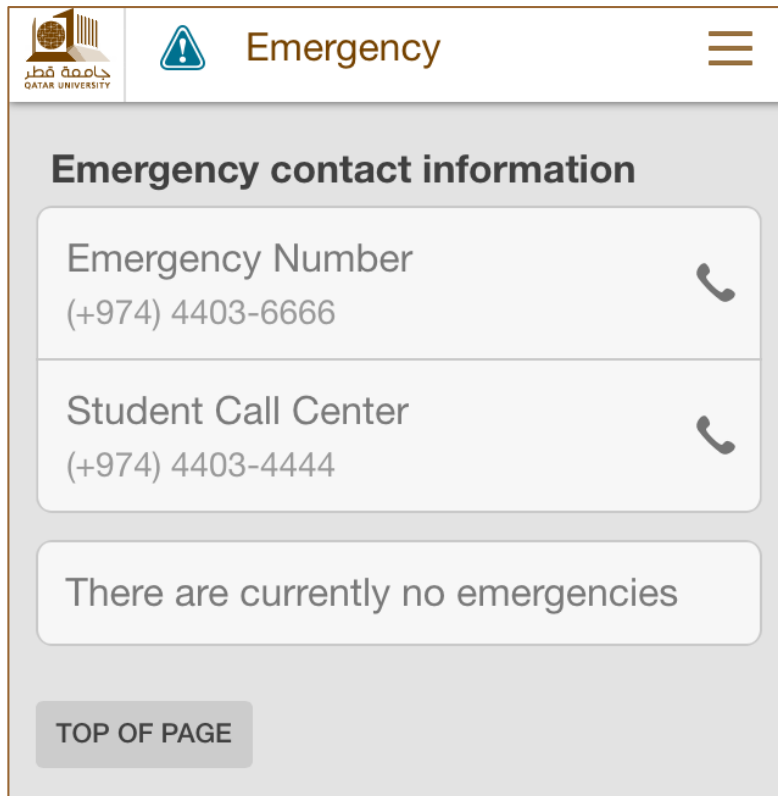

- **Campus**
- **Building Name**
- **Room Number**
- **Description of Problem**

Optional fields are the following:

- **Add a Photo**
- **Your Name**
- **Your Phone Number**
- **Your E-mail Address (in order to get contacted by the department)**

# Emergency

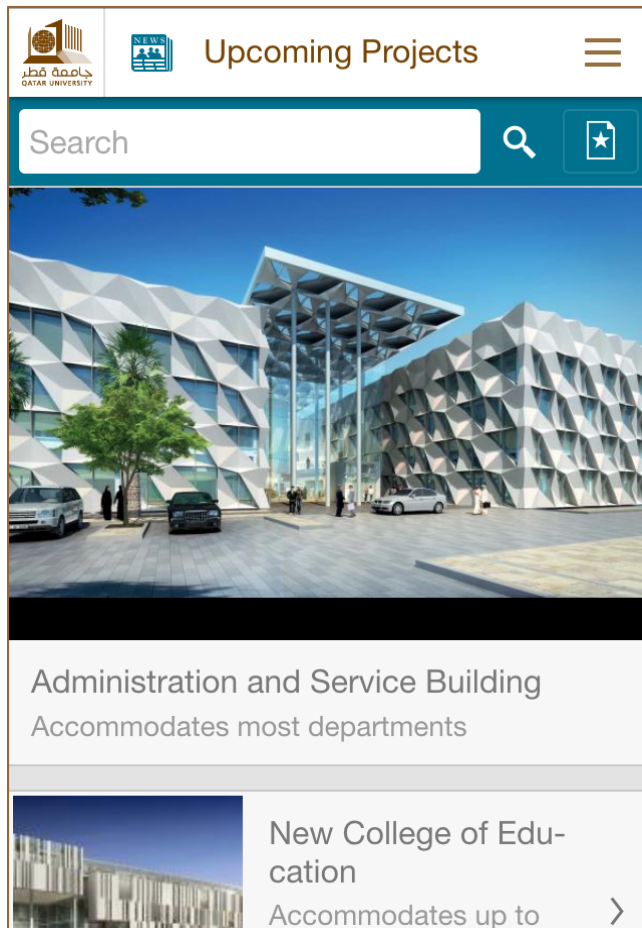

Emergency module will assist you in dialing the emergency number or the student call center number in the case of emergency.

The screenshot shows a mobile application interface for the Emergency module. At the top left is the Qatar University logo, and at the top right is a hamburger menu icon. The title "Emergency" is centered at the top. Below the title is a section titled "Emergency contact information". This section contains two entries: "Emergency Number (+974) 4403-6666" and "Student Call Center (+974) 4403-4444", each with a call icon to its right. Below these entries is a message box that says "There are currently no emergencies". At the bottom left, there is a button labeled "TOP OF PAGE".

# Upcoming Projects

Upcoming projects provide a list of QU initiated projects.

The library feature will assist you in searching and downloading books and articles from international journals.

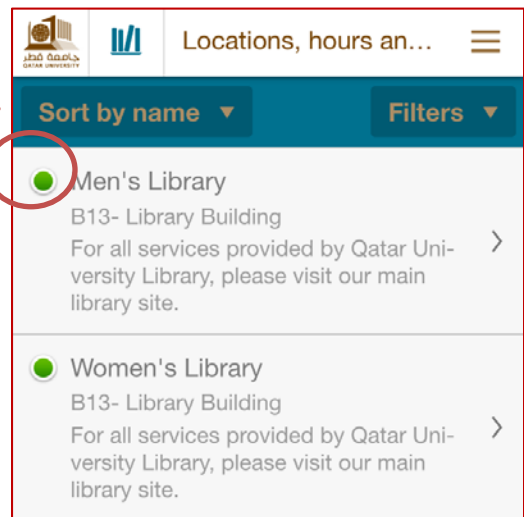

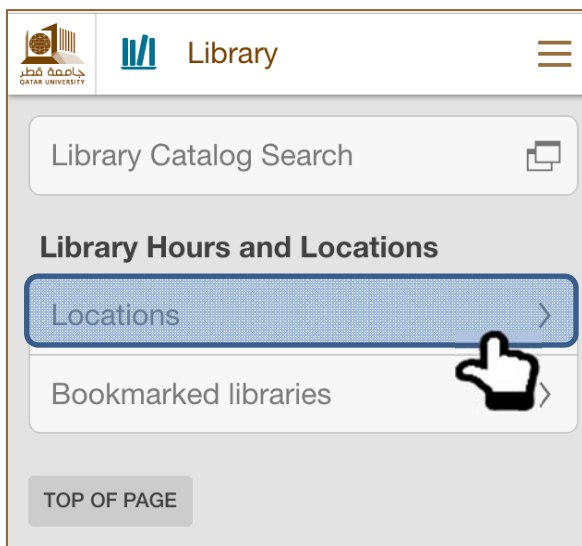

## Library Hours and Locations

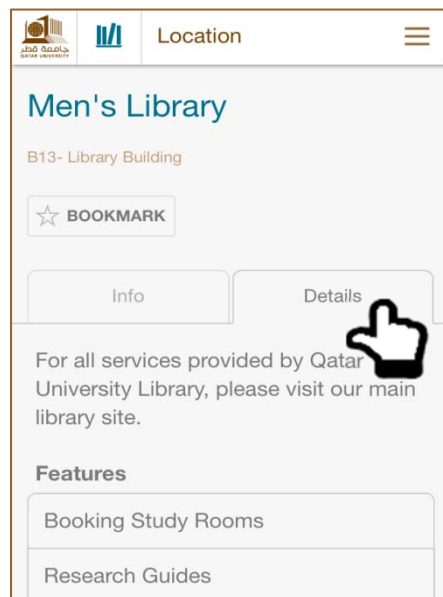

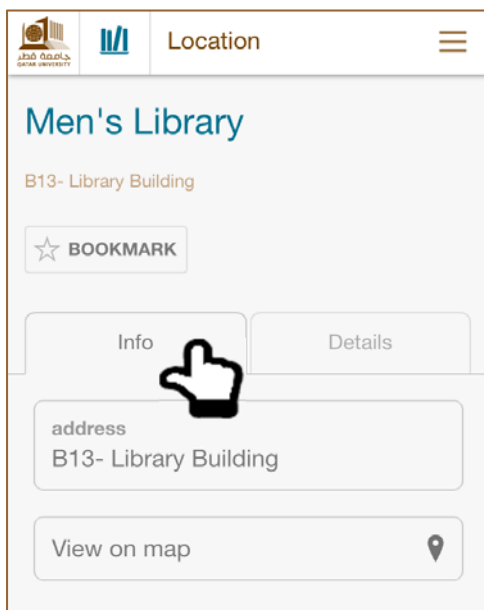

### ➤ Locations

In locations you can view information and locations of libraries at campus. (Male and Female). In the figure below we note that the presence of a green dot means a library is open. If not open, the dot color will turn to grey !

OPENED

By clicking on any of the libraries, you can view location on map by clicking on **Info**. Also you can view details such as what services are provided in the library by clicking on **Details**.

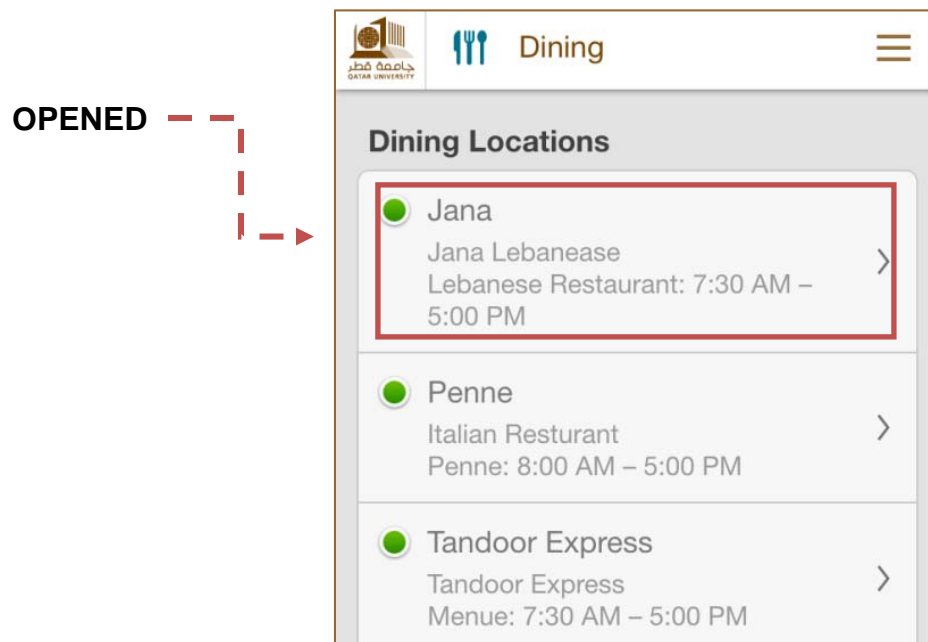

**Note:** For all official university holidays the library will send broadcast to inform the students/faculty about the operating hours.

But for the regular working days during the semester the timing is fixed.

## Dining

You will have the list of Cafeterias and dining area at campus. When you choose your preferred destination, you can view information like working hours and the destination location. It is worthy to mention that a **green** dot means a restaurant is opened. If not the dot will turn to **gray**!

Below is a representation of how to view the location on the map and the menu list in Jana Lebanese Restaurant...

Fish fillet marinated in yogurt, tomato paste, garlic, lemon juice and Arabic spices – grilled in a charcoal oven

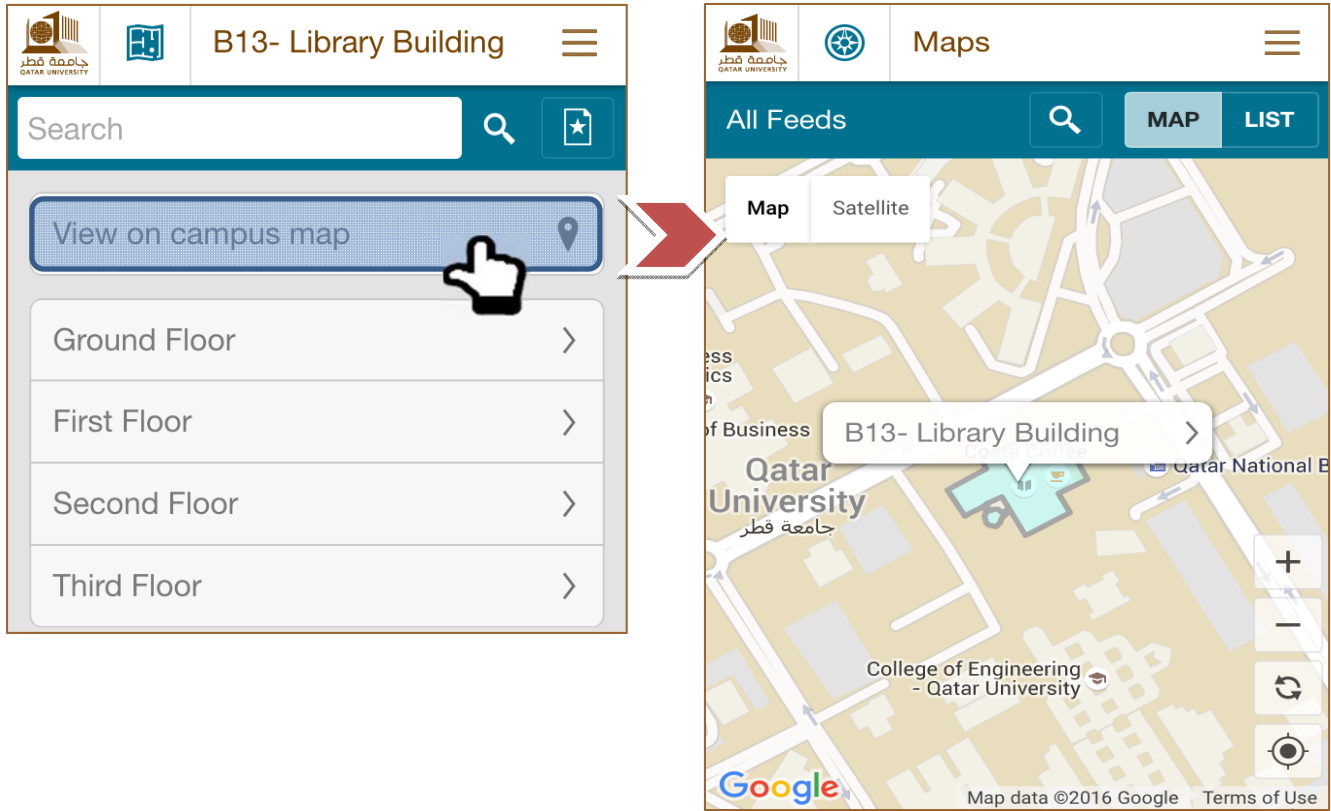

## Indoor Maps

Indoor maps are available on QU mobile. Students are able to navigate virtually through various buildings indoor maps. This makes it easier for students to reach their points of interest in less time. Once you click on Indoor Maps icon on your mobile, you will have the list of buildings for which you can view the floor plans and their layouts that have different points marked with illustrative icons (classrooms, restrooms, photocopying services, i.e).

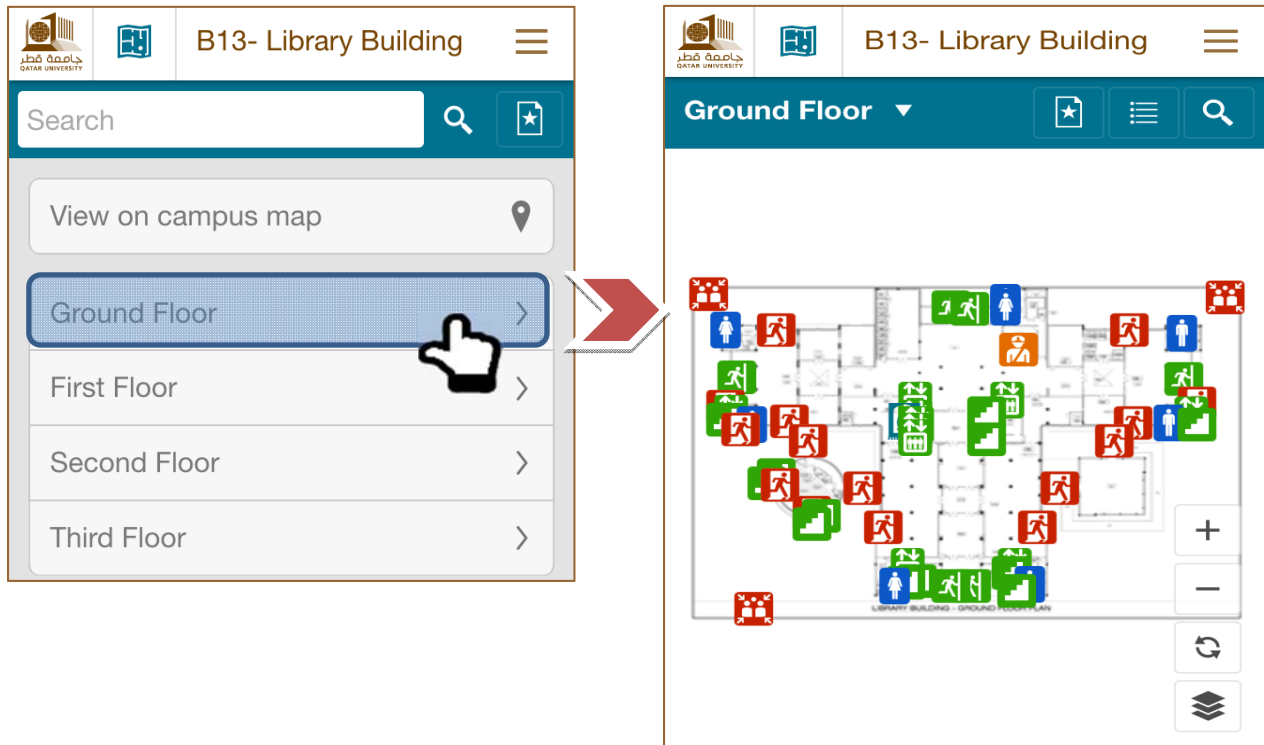

Let us view the indoor maps available in the library building (B13). The figures below show that library building has three floors + Ground floor.

You can view the building on QU map as below.

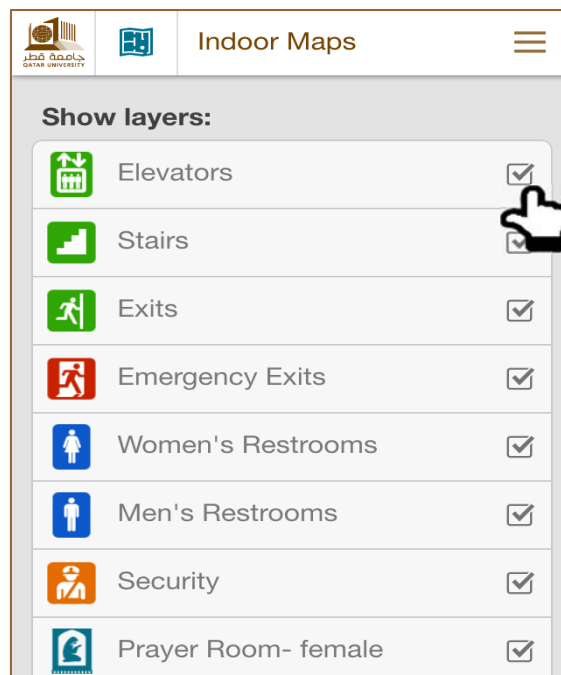

Let us now view the Ground floor layout of the library building. We can see from the figures below that the points of interest are characterized by a representative icon.

You can resize the floor plan by clicking on (+) or (-). Be aware that increasing the size of the plan will not impact the quality of the photo. By clicking on the following icon , you will

be able to show only your points of interest on the plan. You can do so by unchecking the unneeded points.

For example we would like to show only Prayer Room for female. Then we uncheck all other points and the result on the plan will be the following.

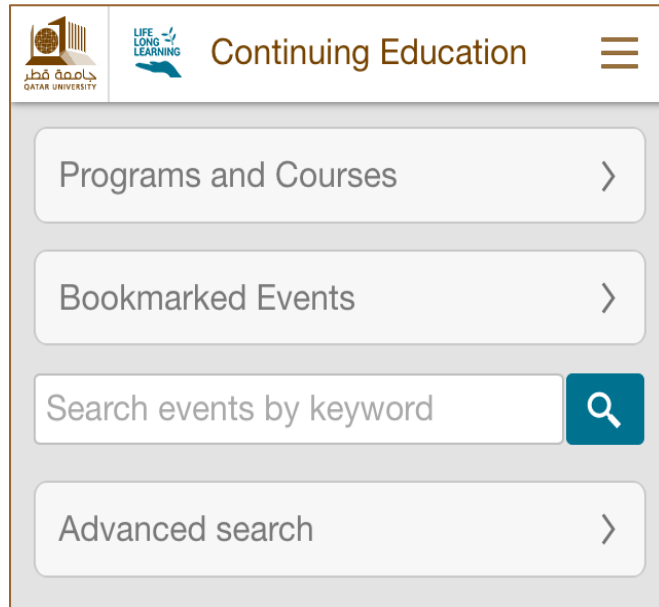

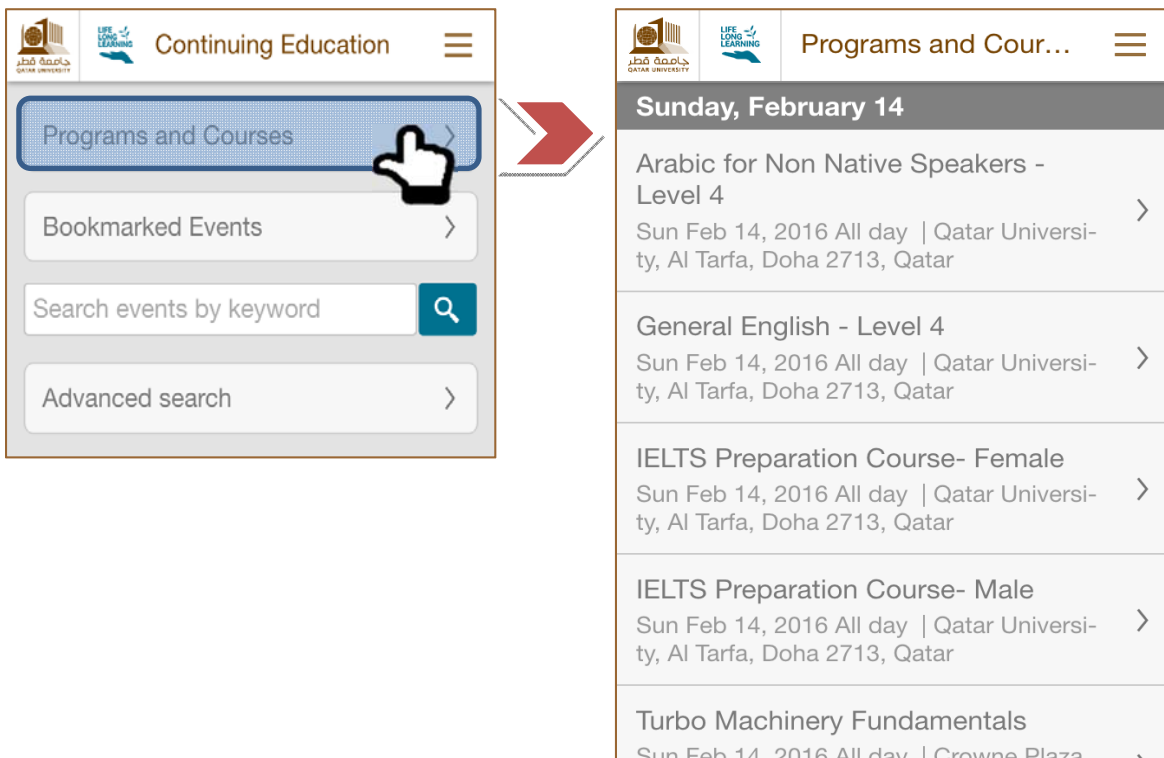

# Continuing Education

Continuing education module will allow users to view the available courses that are offered by the continuing education section at Qatar University. If you click on the icon, the following page will be available to you.

When you click on programs and courses, the list of available courses will be displayed.

Let us select IELTS Preparation Course for female; we can then view details about the course as following.

The screenshot shows the 'Event Detail' page for the 'IELTS Preparation Course- Female'. The page includes a header with the Qatar University logo and 'LIFE LONG LEARNING' text. Below the header, there are navigation buttons for 'PREVIOUS' and 'NEXT'. The main content area displays the course title, date ('Sun Feb 14, 2016 All day'), and options to 'SHARE' and 'BOOKMARK'. The 'Location' is listed as 'Qatar University, Al Tarfa, Doha 2713, Qatar'. The 'Description' section states 'Course Duration : February 14 - March 3' and 'Course Fees : QAR 1500'. A red arrow points from the course title to a list of details on the right.

# Tour

You have now the ability to tour QU facilities and buildings virtually at any time and from anywhere. No need for actual drive, the Tour feature will guide students in both male and female campuses to know their destinations ahead and to navigate through QU male and female campuses easily. By clicking on either male or female campus tour, a new tour is generated as shown below.

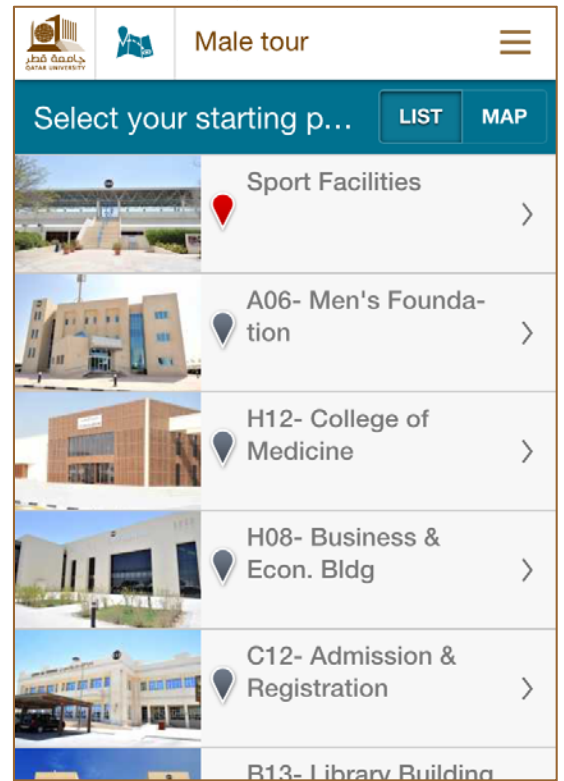

When clicking on BEGIN A NEW TOUR, the below screen will be shown to you.

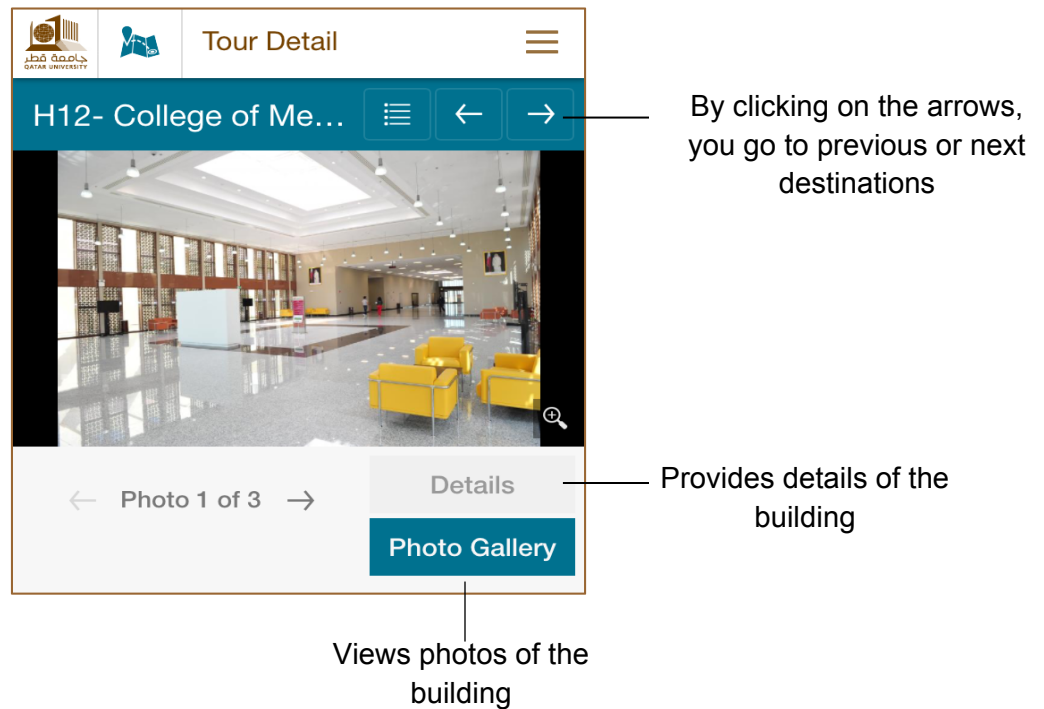

You may change the starting point of your tour by clicking on LIST

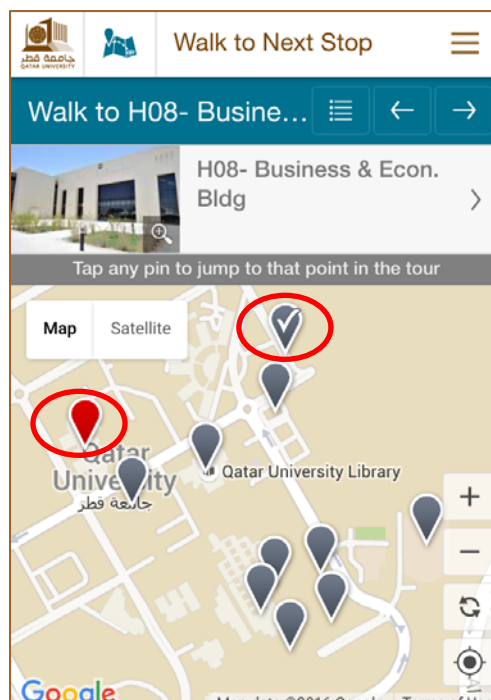

Click here to start with the default starting point

Suppose we select College of Medicine as our starting point, then the following page is presented.

Once your tour in the building is done, the building will be checked and the next building on the tour will be available to you. You can alternatively select your preferred destination as your next stop.

## Discount Booklet

As a QU member or Alumni, you will have the privilege of getting discounts from retail, hospitality, health, restaurants and other outlets across Qatar.

Don't forget to present your QU valid ID to enjoy the featured discounts made special for QU community members !

### Community Discounts

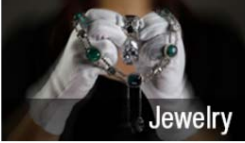

The annual university-wide discount book features discounts for Qatar University community members from retail, hospitality, health and luxury outlets across Qatar. Alumni, students, faculty and staff can use the discount book along with a valid Qatar University ID.

## Membership

Membership is an important feature for QU Alumni. This feature will help you (as a QU alumnus) to stay connected, engaged and updated with the various activities and events organized for QU Alumni association. By filling the following form, you will confirm your membership. The form is one page and requires some details including name, Qatar ID no, graduation year, contact info, your current job information, interests and others.

### Confirm your Membership and Stay Connected

We assist alumni with initiatives that they are working on, delivering workshops for alumni, and organizing events that alumni will find to be fun, informative, and engaging. To ensure that you are informed about alumni activities throughout the year and to confirm your membership, please let us know your:

**Full name\***

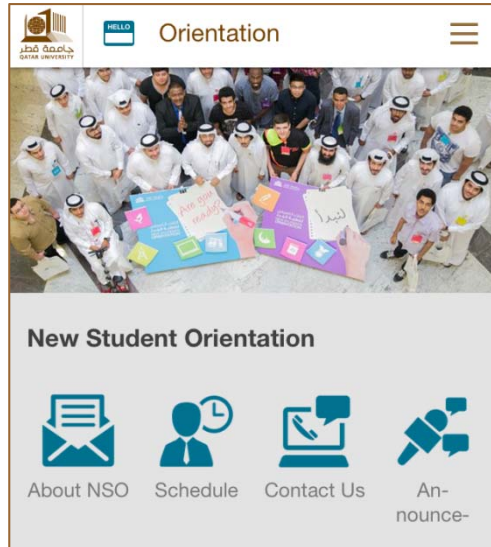

**Qatar ID No.\***

**QU ID No.**

# Orientation

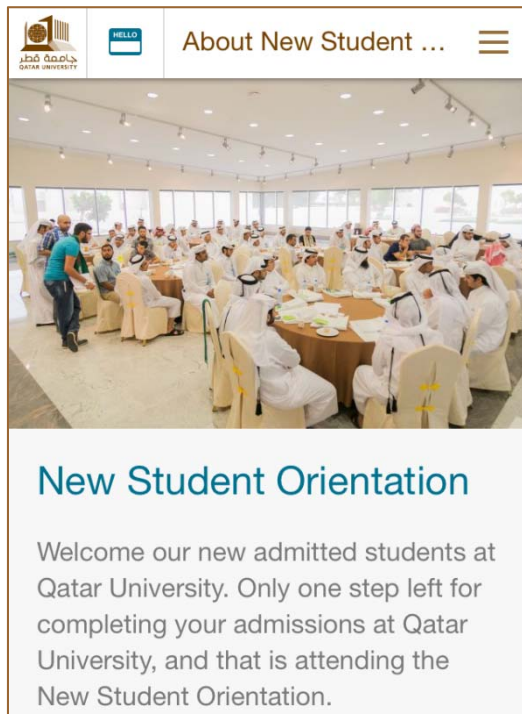

The orientation module is of massive importance for newly admitted student. It includes details regarding the new student orientation which is a very important event. *It is mandatory to attend the new student orientation. Failing to do so would cancel your admission and your eligibility to register courses for the current semester and you would need to re-submit your application for next semester.*

*A Note: Please be aware that this module will be available only during orientation days each semester*

## About NSO

Under this topic, you will find numerous important information. FAQs are addressed and contact information are provided

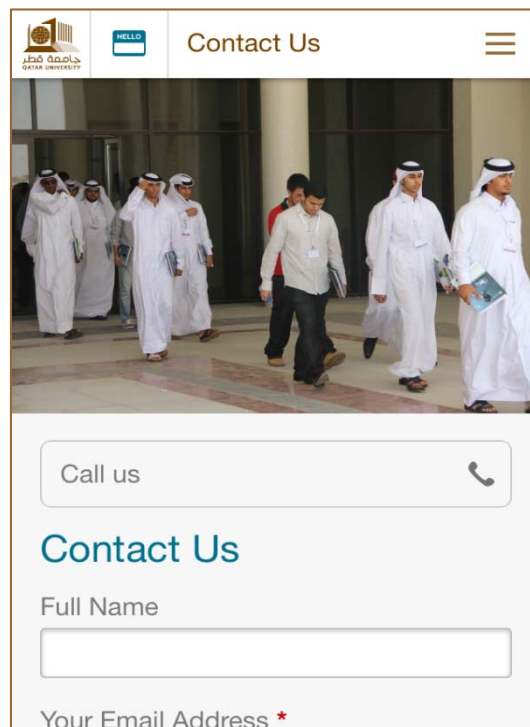

## Schedule

In schedule you will have access to new students' orientation days and dates. The event date is assigned to students and notifications are to be sent to inform students on which respective day they shall be present.

## Contact Us

You may call or send us a message in case you have queries on the new student orientation.

## Announcement

Announcement will be added if any..

## Announcement

No announcements
